IT WAS NOT A BACKDOWN.

Evangelist Romig Gets the Full Endorsement of the Topeka Church.

The following motion was sustained by from four to five hundred members of the East Side Christian church, with sympathizers and friends, at a meeting in their hall May 9th:

"Moved, that the STATE JOURNAL of this city be requested to publish the following preamble and resolutions from the Lawrence World of May 8th, or at least a full synopsis of the same, in fairness to Elder Romig, and as the other side of a statement printed under a Lawrence date, April 24, in regard to the so-called 'backdown' of the evangelist in his last trouble with the Lawrence whisky ring."

J. M. Shepherd, mover.

Says the Lawrence World: "Rev. Romig has concluded his work in this city, and the six weeks of meetings have been remarkably successful."

Sunday afternoon an immense temperance meeting was held at the rink, and the following resolutions unanimously adopted by a rising vote:

Whereas, in an earnest and forcible address Sunday afternoon, April 22, under the auspices of the people, Rev. Mr. Romig did call attention to the current belief, reports and assertions of leading citizens and others to the effect that a large number of illegal liquor shops and joints exist in our city and deplored the lack of apparent effort and success on the part of those clothed with authority to hunt them down and to put them out of business;

Whereas, the Rev. Mr. Romig was next day summoned before the county officials having charge of the execution and enforcement of the prohibitory law of Kansas, and in the examination the official insisted upon yes, or no answers, threatened to send the evangelist to jail if he did not so answer and would not permit him to explain or state on what information his public utterances were made; and

Whereas, a boastful and distorted representation of these proceedings was hastily sent out to the state advertising a "back down" on the part of the witness, which never took place; Resolved, That when drunken men are seen on our streets and when other evidences and indications are thick on every hand, all going to show that the prohibitory law is violated either through the connivance or inefficiency of the officers, such condition of things authorizes any one either publicly or privately to express such opinion or belief, and no threat in such cases need be set up as a screen for evil doers;

Resolved, That we have regarded with interest and approval the work and influence of Rev. Romig in this city and having noted what he said on all public occasions, we regard this late attack upon him not so much as one directed against himself, but as one intended to cast a slur upon the temperance work in our midst, and as having no other real basis of significance;

Resolved, That we extend to Mr. Romig our undiminished confidence with heartfelt sympathy, the good will and the cordial support of the temperance people;

 S. A. WOODARD,
 MRS. E. E. WOODARD,

THE WARD CAUCUSES.

Republicans in Three Wards Select Delegates.

DELEGATES ARE UNINSTRUCTED

In the First Ward; in the Fourth instructed for Dick Blue Congressman-at-Large—Fifth Ward Morrill for Governor.

About fifty Fourth ward Republicans met last night at the courthouse to nominate delegates to the state convention.

The meeting was called to order by Arthur Capper, and Otis Hungeate was elected chairman and J. E. Stewart, secretary. The chairman stated that the meeting had been first called for Saturday evening, but was adjourned to Tuesday and then to last night. A delegation was selected by the Republicans who met at the court house on Monday evening and last night's caucus was opposed to the delegation with one exception. Capt. A. M. Fuller, who was the leading spirit in the caucus, said that at the Monday night meeting men had gotten themselves appointed on a committee to select delegates and then had appointed themselves.

The chairman on motion of C. L. Vanderpool selected the following committee to select the delegates: A. M. Fuller, C. L. Vanderpool, T. Gage, Arthur Capper and S. P. Hawkins. They were out about an hour and during that time J. G. Wood made an address on Republicanism.

The committee reported the following names:

DELEGATES.	ALTERNATES.

Dr. Wall declined to serve as a delegate but the entire list was adopted without revision.

On motion of A. M. Fuller the delegation was instructed for R. W. Blue for congressman at large.

First Ward Caucus.

There was a large meeting of Republicans of the First ward at the North Topeka fire station last evening in response to a call for a caucus of all Republicans who favor the sending of an unimpaired delegation being sent to the county and state conventions.

In the absence of the committeeman the meeting was called to order by Captain A. A. Rowley and F. L. Cooper was elected chairman of the caucus. H. H. Fowler was chosen as secretary.

After the call was read, F. A. McPherson moved that the caucus proceed to elect ten delegates and ten alternates to the county convention and that they be elected one at a time. This motion suited the crowd who were opposed to fixing and the caucus proceeded to elect the delegates.

The first two delegates were nominated and elected by acclamation and then it was decided that the voting should be done by ballot.

Two names were nominated at a time and the one receiving the largest number of votes was declared elected. After the ten delegates were chosen the alternates were selected by acclamation.

The caucus adopted a resolution declaring that the delegates go into the convention uninstructed.

There were between fifty and sixty Republicans at the meeting who voted for the election of the delegates.

The following were the delegates and alternates elected:

DELEGATES.	ALTERNATES.

Fifth Ward Caucus.

There was a large meeting of Fifth ward Republicans last night at Lull's hall and a list of delegates to the county convention was selected.

J. T. Fulton, the Fifth ward councilman was chairman of the meeting, and J. A. Alexander was secretary.

The meeting was in favor of the nomination of Major Morrill for governor, and the delegates selected were all required to declare themselves before they were finally chosen.

The delegates and alternates are as follows:

DELEGATES.	ALTERNATES.

R. M. Fulton,	A. W. Hopkins,

TOMORROW'S PRIMARIES.

They Promise to Be Lively in Some Parts of Town.

It now seems that the Republican primaries to be held tomorrow will be as lively as ever held in some of the wards of the city.

In the First ward there are already three tickets in the field and there may be one or two more before the polls open tomorrow afternoon.

The first ticket announced was nominated by a Morrill caucus Monday night. Last night's caucus of all the Republicans of the ward nominated an unimpaired delegation and today Deputy Sheriff Tom Westerson who lives in the First ward has had a ticket printed on his own responsibility which he and his party of ward workers will endeavor to have elected tomorrow.

The ticket nominated last night was selected by the men who are opposed to "fixers" manipulating ward politics and it will be heartily supported tomorrow.
